Parking: Validated discounted parking for the venue is at the 227 W. Monroe garage, and the event coordinator has validation stickers. I believe it is \$11.

This is the load in instruction from our venue coordinator: All deliveries will come through the dock off Marble Street on the South end of 190 South LaSalle. If you're heading north down LaSalle, you will make a left on Marble (you will see a Corner Bakery on the northwest corner). The dock is marked and relatively easy for vendors to find. Once they are in the dock, they will check in with the security guard at the dock, and they can take the freight elevator right up to the 40th floor, where the Stacks & Library is located.

Ceremony Information (Entertainment)

Ceremony Time Frame

Ceremony Setup

Setup: The ceremony is in the lobby of the venue, and the musicians can set up on the left side of the sculpture in the alcove. Our venue coordinator should be there to help!

Sound System Needs

The officiant (Kyra Kramer (bride's sister) Please note that she is needed upstairs for family photos between 2PM and 2:45PM. She is available any time after that, and you can reach her at 781-414-6687 if you can't find her!) will require a handheld microphone with stand. Kyra Kramer (bride's sister) Please note that she is needed upstairs for family photos between 2PM and 2:45PM. She is available any time after that, and you can reach her at 781-414-6687 if you can't find her! is expected to arrive around 03:00 pm. **Important:** Remember to find out what the officiant's last words will be before the recessional music begins!

Other readers will need a microphone with stand.

You will be providing live music so have a keyboard set up.

Ceremony Attendance

Number of people in attendance: 128

Seating Music Begins At: 04:15 pm

Wedding Party Size: 0

Wedding Traditions: Nothing super noteworthy, but we are having a Jewish ceremony which includes the 7 Circles, the Kiddish and the smashing of the glass. We have a ceremony program that we can share with you via email!

Ceremony Music

Recorded Seating Music: We'd love the instrumental songs from the Twilight soundtrack (including for sure Bella's Lullaby)

Live Wedding Party Processional Music: We would love to have our family processional walking to an acoustic version of Elvis's Can't Help Falling in Love (this can be recorded if a recording exists?)

We'd then like Pachelbel's Canon in D for the flower girls, fading into Accidentally in Love

YouTube Link: <https://youtu.be/7KZ460xFFPs?si=OmPkTRXW1jeo0rwb>

The last person(s) to walk down the aisle before the main entrance will be Our "flower girls" will be walking down right before us - they are living statues who will hopefully surprise our guest! Then Grace will walk with her parents, and Alix after..

Live Ceremony Processional Music: We would like a piano version of Accidentally In Love from Shrek for the processional. Ideally we'd love Pachelbel's cannon to begin and fade into Accidentally in Love when Grace starts walking.

YouTube Link: <https://www.tiktok.com/t/ZTR3x3XLK/>

Recorded Ceremony Recessional Music: This Will Be (An Everlasting Love) by Natalie Cole. This song you can start playing right when Kyra says we can smash the glass & kiss, so the intro music to the song will play over the smashing & kissing.

YouTube Link: https://www.youtube.com/watch?v=xu3VjcLAG9I&ab_channel=AudioNudes

Other Details: Our ceremony is fairly non-traditional! We don't have a bridal party but our family will be processing down the aisle in the following order:

Officiant (sister) with Grandma 1

Sibling with Grandma 2

Sister with brother in law
Niece & Nephew with rings
Living Statue Flower Girls
Grace with Parents
Alix with Parents

The wedding will be officiated by Alix's sister Kyra and will feature many traditional Jewish wedding elements. The brides recessional music can start before we smash the glass & kiss, right after Kyra declares us married.

We'll have both other siblings doing a short reading each, but they can use Kyra's mic if it's wireless. Other nontraditional elements to look out for: we will be having living statues walking down the aisle as "flower girls" and it's a surprise to our guests! They will likely be setting up around the time you are, so we want you to know that's who they are!

ACCIDENTALLY IN LOVE MAY NEED TO BE LONG, REPEAT IF NECESSARY TO GIVE TIME FOR BOTH BRIDES TO WALK DOWN THE AISLE.

Cocktail Information (Entertainment)

Cocktail Time Frame

05:01 pm - 06:00 pm CST

Load-In

You must load in equipment at 02:30 pm

Please Note: The same load in as the reception:

All deliveries will come through the dock off Marble Street on the South end of 190 South LaSalle. If you're heading north down LaSalle, you will make a left on Marble (you will see a Corner Bakery on the northwest corner). The dock is marked and relatively easy for vendors to find. Once they are in the dock, they will check in with the security guard at the dock, and they can take the freight elevator right up to the 40th floor, where the Stacks & Library is located.

General Cocktail Information

Cocktails and dinner are in different locations:

The way The Library is set up, the ceremony is in the marble foyer on the ground level. The cocktail hour and reception are upstairs on the same floor, but the cocktail hour is in a lounge-type area and the reception is in an adjoining hall. For the cocktail hour we are only looking for DJ services, so the load in of the pianos can be focused on the reception hall.

Expected number of guests for cocktails: 128

Location of the Couple at this time: With the guests

Music (Recorded) for cocktails: We would love to play the soundtracks from Shrek 1 and Shrek 2
