Additional Information: We added the additional instruments (drums, sax, and guitar) to increase the range of the songs that can be performed. However, we do not want to lose the dueling piano aspect of the show either. During our discussions, you recommended that we shift back and forth as you think appropriate from full band performance to more piano-centric music. We want to keep all the music during the reception (aside from the special dances) live. We are working on specific songs that we want to have played. For now, we can generally say that we want fun, upbeat music that is not "cheesy" wedding songs. We also want to make sure that we have all the regular piano bar hits (i.e., Sweet Caroline, Piano Man, Wagon Wheel, Hotel California, Sweet Home Alabama, etc.) We will get you a more comprehensive list soon.
