### **Load-In**

This wedding requires an outdoor setup.

**Rain Plan:** Cocktail hour will be held in a barn (Poplar) with glass garage doors that will be open and I was hoping more people would be gathered outside. There is an awning that you could be under while playing cocktail music. Of course weather permitting we could be inside entirely.

For our dinner/reception it will be held in a different barn on property (Cedar), which also has glass garage doors that would be open (weather permitting). I was hoping you would be set up by these to have the option to enjoy the pianos both in/outdoors.

The ceremony and cocktails are in a DIFFERENT location. You do not perform the ceremony.

#### **Duelers Load-In:**

You can start loading in for cocktails at 02:00 pm.
