Load-In

This wedding requires an outdoor setup.

Rain Plan: Ceremony (informal, during Welcome/Cocktail Hour), Cocktail Hour, Reception excluding Dinner. Unsure yet what accommodations the venue (Bridge410) has outdoors, but I believe Felix and Fingers is familiar with the venue.

Since Dinner will be indoors, we assume there will be playlist DJ music during that part of the event, but we can discuss.

loft room rain plan set up location for cocktails and dancing.

dinner space for ceremony and dinner if rain.

The ceremony and cocktails are in a DIFFERENT location. You do not perform the ceremony.

Duelers Load-In:

You can start loading in for cocktails at 02:30 pm. Our ceremony will be informal during cocktail hour. We expect that people will get seated (drinks in hand) for a quick, maximum 15 minute long ceremony around 4:30. It would be great to have 1-2 microphones and mic stands available to use during the ceremony. After, we will continue cocktail hour until 5:30. We would like for the cocktail hour and ceremony to be outdoors pending good weather, but if not, it will be in the loft room.
