Once music is playing could you say something football announce style like: At this time can we get all the single draft prospects to the floor and line up for this opening play. Then we want to announce the Grooms Team so like: For outside tackle we have Garret and running backs Kevin and Jake. The best men are providing this jargon and list. The boys will line up and snap to groom and then throw! I will have pom pom cheering on!

Games (try for them - all not mandatory):

Blindfold

We would like to have a few games played the first one is a dance game which you will pull specific bridal party folks Joey,

Nick, Kim, Blair, Christina, Jake, Tulio, Jacob C. We will give them blind folds to put on. Once they are all on we will play saucy music like Sticky or Laffy Taffy (live or DJ'd). We want them to show us their moves. The joke is we will keep changing and playing music. Although only two people are not informed after the music starts they remove their blind fold and back away quietly leaving the two dancing.

Would love a game for the grandmas: maybe musical chairs or find the item and run back for a chair.

Brides sister and Niece want to dance to Copperhead road. <https://www.youtube.com/watch?v=uhMO9azmKNU>
Please dear god if you can skip ahead 2 mins cause it's the longest song ever but the end is fun.

Matt might play drums.

Crowd: a bunch of old country fans, Musical fans so if you can sneak in Wicked somewhere just the last part of defying gravity you would be a hero, also you have a bunch of football fans, Band directors, musicians and such.

Departure And Load-Out

Send-Off

Details:

I would just like whoever is still there to be asked to come on the dance floor for last dance and we form a sort of circle and sing a song around the couple with everyone swaying and arms around each other. Something fun that everyone would know and then say goodbye with hugs and such. Not sure what some it should be might need your advice on that.

Play a mini first dance for my friends who never got to have one. Kelly and Drew Scogin (ska-gihn) Song will be provided. Not super formal just whenever.
