She will be there to supervise load in. Should be an elevator to take us to the 3rd floor where we will setup.

### **Load-In**

This wedding is entirely indoors.

The ceremony and cocktails are in a DIFFERENT location. You do not perform the ceremony.

#### **Duelers Load-In:**

You can start loading in for cocktails at 02:00 pm. Cocktail area will be in the same area as the ceremony. (potentially just moving some chairs out of the way). We have a string quartet (from the ceremony) handling the first hour of the cocktail hour, but you would provide the music - recorded - just for the last half hour from 4:30 to 5:00.

Cocktail hour will be set on the 3rd floor in the upper lobby, the reception will be in the room "Wisconsin Studio" on the 3rd floor. We will just provide a speaker and recorded background music for the final half hour of cocktails after the quartet. We might be able to just plug our ipad into their AV system in the lobby.
