### Announcements

Please start by thanking my mom, Ginny, for putting on such a lovely evening to celebrate Nic and Michelle. Shout out to Nic's Dad, George, for making sure we all had tasty beverages to keep the fun going!

Then please give the microphone to Ginny for a speech. Once she is done, she will hand the microphone to George for a speech.

Once the speeches are done, then please say "please direct your attention to the screen and enjoy a video."

Then once the video is over, please let the guests know there is cake if they are still hungry. Then you can get started on your show!

### Explicit Lyrics:

Please do NOT edit explicit lyrics (unless necessary). This is not a kid-friendly event, and we would like the songs to be sang the way they were.

Please play Wheeler Walker Jr - Drop Them out - towards the end of the night as most of the older crowd would not appreciate it. Starboy should be played towards the end too. A lot of cuss words.

### Songs To Avoid:

Please do not play Beyonce. Unless the groom request, stay away from Kayne West. No Hokey Pokey. No chicken dance.

### Must Play Songs:

## **Tipping:**

Yes

## **Alcohol/Bar**

**Type:** Open

**Additional Information:** We got married on May 10th in Mexico. This is strictly an event to celebrate our nuptials. We don't want the typical wedding reception layout. There will not be first dances. My mom may make a quick speech to thank everyone for coming. We just want to have a lot of fun! Please just keep the excitement high. We trust your judgment on what songs hit well with the group! We put some songs as requested but honestly just want the crowd to have fun.

As for our song requests, you will notice, we like about everything! :) Machine Gun Kelly and Post Malone are two of our favorites but we know not everyone knows them. If we can get at least one MGK song, that would be awesome.
