General Timeline

Itinerary

Time Frame	Activity	Notes
7pm-9pm	Engaging Entertainment Comedy	

Explicit Lyrics:

Explicit should be changed since children will be present. We would love to have variety that spans the generations, but still need to be cognizant of a wide array of lively and engaging music. If possible change out the word for something that fits and still grooves for more comedy!

Songs To Avoid:

The songs just need to be family friendly, since this is a community event, but I know we have a tough crowd to get going.

Tipping:

No

This number represents a sliding scale between 0 and 5. 0 leans towards traditional bar show with lots of dueling piano banter and comedy. 5 represents a show with little talking and non-stop dancing.

A lot of dueling piano banter and comedy. A little focus on dancing.
