Additional Information: Hi, we are celebrating our dad's 80th birthday, he doesn't necessarily want it referred to as his "80th." We lost our mom, his wife of 51yrs, 3yrs ago in September and while he is doing fine, just trying to keep him engaged with friends and family and celebrate milestones and have fun and make memories. This evening is supposed to be good fun and celebrate life and love and laughter. We just want him to have a great time and celebrate as much as he

can and make everyone feel good for an evening and make a memory. We are all close friends and family for years.
