#### Explicit Lyrics:

At your discretion. This is a professional event, but we are all adults enjoying an evening out. It might add to the humor to replace a word or two if an inappropriate song is played? (Example: someone requests something like WAP by Cardi B.)

You have my permission to feel the crowd. If they seem disappointed with the "bleep," have at it! You're the expert!

**Performance Expectations** - 3 - A mix of interaction with both traditional requests and dance songs.

This number represents a sliding scale between 0 and 5. 0 leans towards traditional bar show with lots of dueling piano banter and comedy. 5 represents a show with little talking and non-stop dancing.
