### People To Include In Show

Absolutely. Potentate will do just about anything. Nicholas (Potentate) is on the younger side of the Shrine at 45 (46 later that month). First Lady (Suzanne, 52) is a little shy, but is willing to be pulled up if requested (you just got to get her going to feel comfortable). You can ask for the Divan to be "backup singers", but they collectively don't sound great as singers and age range from 30 to 84. The "Shrine Ladies" sound much better, but they are predominantly retirement age.

### Children

**Approximate Number Of Children:** Unknown (asked to leave by 9 PM)

**General Age Range:** Teenagers

**Performance Expectations** - 2

This number represents a sliding scale between 0 and 5. 0 leans towards traditional bar show with lots of dueling piano banter and comedy. 5 represents a show with little talking and non-stop dancing.

A lot of dueling piano banter and comedy. A little focus on dancing.
