Load-In

Load-in Note: You may see one or both performers arriving for setup. Rest assured, this is normal and coordinated in advance.

You may load in equipment at 03:30 pm

Please Note: Load in through the loading dock elevator on the first floor to 4th floor. Do not use the car elevator. You can exit to parking lot level 3 to your vehicle which must be under 6'7" tall. You cannot load out the same way you came in or vice versa.

When we load out, we can park in the regular parking lot and what we want to do is go out to the third floor. Ignore message on external docs saying we have to leave gear there at 10pm, that does not apply to us.

A lot of dueling piano banter and comedy. A little focus on dancing.
