Dinner Seating

I will attach a menu for the evening. If you could let me know persons name & what they would like to order, and at what time you would like it ready? I am assuming they eat before they perform? This would work best as the grill will close after dinner is served (8pm), and we will have Fried food only after that.

Other

Performer's Attire - Other

We are posting a Denim and Diamonds theme (anything denim - with or without bling) - google it for a TON of ideas!

Performance Expectations - 3 - A mix of interaction with both traditional requests and dance songs.

This number represents a sliding scale between 0 and 5. 0 leans towards traditional bar show with lots of dueling piano banter and comedy. 5 represents a show with little talking and non-stop dancing.
