Other

Performer's Attire - Festive (In accordance with a particular holiday)

The event will have a fun street party vibe—comfortable but look nice and polished. No shorts or flip flops.

Performance Expectations - 2

This number represents a sliding scale between 0 and 5. 0 leans towards traditional bar show with lots of dueling piano banter and comedy. 5 represents a show with little talking and non-stop dancing.

A lot of dueling piano banter and comedy. A little focus on dancing.

[Please be sure to review the Corporate Events Guide!](#)

Departure And Load-Out

We must be packed up and out of the venue by 07:00 pm

Additional Information: ***There will be a generator. Please bring longest extension chord.

**Different type of request forms check with Dafnit when you arrive.

I'm not expecting much dancing—our crowd is mostly male and will likely enjoy fun interactions and good music rather than hitting the dance floor.

You'll be setting the tone for the entire space, so we're looking for a great vibe with popular hits and upbeat, current music that everyone loves. Think more of a "feel-good background concert" than a dance party—people will likely gather around, listen, and enjoy the moment.
